- 5. Pursuant to PROMESA section 315, "[t]he Oversight Board in a case under this subchapter is the representative of the debtor" and "may take any action necessary on behalf of the debtor to prosecute the case of the debtor, including filing a petition under § [304] of

### Brattle's Retention and Fee Statements During the Compensation Period

10. Proskauer originally retained Brattle, an international economic consulting firm, pursuant to an Independent Contractor Services Agreement effective March 25, 2019 (the "Agreement"), in support of its litigation preparation on the Relevant Matters for the Oversight Board. On August 9, 2021, Proskauer specifically retained Brattle to facilitate the effective representation by Proskauer of the Debtors in connection with the confirmation hearing for the Plan of Adjustment under Project Assignment #7 of the Agreement. Project Assignment #7 is attached hereto as Exhibit C.

### 11. The Agreement provides that:

- a. Proskauer's client, the Oversight Board, is solely responsible for Brattle's fees and expenses, and will compensate Brattle in accordance with the terms of the Agreement; and
- b. Brattle will charge on a time and materials basis, based on the hourly billing rates in effect at the time services are performed, with all fees and expenses payable under the Agreement to be paid through the applicable PROMESA Title III proceeding.
- 12. In October and November 2021, Brattle caused its first and second monthly fee statements<sup>6</sup> ("Monthly Fee Statements") to be served on the notice parties. Copies of Brattle's Monthly Fee Statements are attached hereto as Exhibit B. In accordance with the Interim Compensation Order, Brattle requested an aggregate payment of \$456,026.25 (representing payment of ninety percent (90%) of the compensation sought for professional fees and one hundred percent (100%) of actual and necessary costs and expenses incurred during the period), and as of the date of this Application Brattle has not received payment for services rendered and expenses incurred on this project assignment during the Compensation Period.<sup>7</sup>
- 13. Prior to the submission of this Application, Brattle has made no previous requests for the allowance of interim compensation for professional services rendered and reimbursement of expenses incurred for this particular project assignment.

<sup>&</sup>lt;sup>6</sup> During the Compensation Period, Brattle performed services in connection with the Plan Confirmation Hearing in August and September of 2021.

<sup>&</sup>lt;sup>7</sup> Compensation paid includes applicable 29% income tax withholding and 1.5% government contribution.

### Summary of Professional Services Rendered By Brattle during the Compensation Period

- 14. Brattle's services to Proskauer, as legal counsel to the Oversight Board as representative of the Debtors, were reasonable, necessary, appropriate, and beneficial when rendered, facilitated the effective representation by Proskauer of its obligations as legal counsel to the Oversight Board as representative of the Debtors in connection with the confirmation hearing for the Title III Plan of Adjustment, and were in the best interests of the Oversight Board and the Debtors' creditors, the Commonwealth's residents, and other stakeholders. Brattle performed its professional services in an expedient and efficient manner. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and timesensitive nature of the issues and tasks involved.
- 15. To provide an orderly and meaningful summary of the services rendered by Brattle, Brattle established, in accordance with the Guidelines, a separate task code for the services. During the Compensation Period, Brattle expended 1,035.60 hours assisting Proskauer on matters relating to the Plan Confirmation Case. Details of Brattle's work during this Compensation Period in furtherance of these tasks for Proskauer are included in the Monthly Fee Statements, and summarized as follows:
  - <u>Title III Expert Support</u>
    - (Fees: \$503,859.50; Hours: 1,035.60)
      - Brattle performed tasks necessary to assist Proskauer, as legal counsel to the Oversight Board, in rendering legal advice to the Oversight Board on matters relevant to Confirmation Hearing for the Plan of Adjustment.

#### Actual and Necessary Expenses of Brattle

16. Brattle incurred \$2,552.70 in reimbursable expenses during the Compensation Period in connection with such service provided to Proskauer in connection with the confirmation hearing for the Plan of Adjustment.

#### Compensation Paid and its Source

- 17. All services for which Brattle seeks compensation were performed on behalf of and at the direction of Proskauer, as legal counsel to the Oversight Board, representative of the Debtors in their Title III Cases to facilitate Proskauer's effective representation of the Debtors. In connection with the request covered by this Application, Brattle has received no payment and has received no promises of payment for services rendered, or to be rendered, from any source other than the Debtors. There is no agreement or understanding between Brattle and any other person for the sharing of compensation received for services rendered to Proskauer in the Debtors' Title III cases.
- 18. PROMESA sections 316 and 317 provide for interim compensation of professionals and govern this Court's award of such compensation. PROMESA section 316 provides that a court may award a professional employed for the benefit of the Debtor or the Oversight Board under PROMESA "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." PROMESA § 316(a). PROMESA section 316 also sets forth the criteria for awarding compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (1) the time spent on such services;
- (2) the rates charged for such services;
- (3) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter;

- (4) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (5) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field;

and

(6) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this subchapter or title 11.

PROMESA § 316(c).

- 19. Brattle respectfully submits that the professional services rendered and the expenses incurred during the Compensation Period were necessary for and beneficial to Proskauer's effective representation of the Oversight Board on behalf of the Debtors and therefore were necessary for and beneficial to the maximization of value for all stakeholders and ultimately to the orderly administration of the Debtors' Title III Cases. The services required experienced professionals with specialized expertise to timely and thoroughly respond to Proskauer's requests. During the Compensation Period, Brattle worked efficiently, under time constraints, to respond to Proskauer's needs.
- 20. The rates of the Brattle personnel performing the services are the rates Brattle charges for professional services rendered in comparable bankruptcy and non-bankruptcy matters and are reasonable given the customary rates charged by comparably skilled practitioners in comparable bankruptcy and non-bankruptcy cases in a competitive national market.
- 21. Brattle submits that allowance of the fees and expenses requested herein is reasonable and warranted in light of the nature, extent and value of Brattle's services to the Proskauer, as legal counsel to the Oversight Board, as representative of the Debtors in the Plan Confirmation Proceedings. Proskauer has reviewed and approved this Application.

#### No Previous Request

22. No previous request for the relief sought herein has been made by Brattle to this or any other court.

#### Reservations

23. To the extent time or disbursement charges for services rendered or expenses incurred relate to the Compensation Period but were not processed prior to the preparation of this Application, or Brattle has for any other reason not yet sought compensation or reimbursement of expenses herein with respect to any services rendered or expenses incurred during the Compensation Period, Brattle reserves the right to request compensation for such services and reimbursement of such expenses in a future application.
